

INTRODUCTORY COURSE ON QUANTUM COMPUTING

Online Certification Course

COURSE MENTORS

Prof. MS Santhanam
Professor Physics & Dean IRO
IISER Pune

Prof. TS Mahesh
Professor Physics
IISER Pune

COURSE DETAILS

Quantum computers are expected to harness the exotic properties of quantum mechanics to perform calculations that are beyond the reach of present day classical computers. From drug discovery to optimizing supply chains to cryptography, quantum computing is likely to be the key disruptive technology of our generation, and would fundamentally alter the way we process data. This online certification course, delivered by frontline researchers in the field, offers a broad introduction to this rapidly evolving area. Irrespective of whether you are a curious beginner or a seasoned technology enthusiast, this course is designed to ignite your passion and expand your horizons.

Are you ready to leap into the future of computing?

- Registrations Open
- Course Starts on: **2nd April, 2024**
- Duration: **10-12 hours**
- Registration Fees:
For Students
INR 1000/- (Inclusive of GST)
For Professionals
INR 5000/- (Inclusive of GST)
